

EMPLOYERS

At Sale High school we recognise the huge positive impact of students experiencing the world of work and engaging with employers. We are committed to providing every student with at least one encounter with an employer in every year, and to ensuring that all students experience at least one workplace visit by the time they leave Year 11.

We are always looking for businesses and companies to join the **Sale High School Careers Network**. This is a registry of parents, staff friends and family, businesses and companies, and local employers who have agreed to be contacted about careers events and visits at school.

In April 2020 we will be holding our first Employer Speed Networking Event, providing students with the opportunity to engage one to one with employers and employees from a range of companies and industries.

The school has already established links with companies such as *Whitfield and Brown Construction*, *HE Simm Construction*, *Arvel Car Leasing* and *Trafford Housing Trust*.

Below are some of the activities and experiences that employers, businesses and companies could offer:

- **At school**
 - assemblies and talks
 - small group focus sessions
 - practice interviews
 - projects and challenges in related subjects

- **In the work place**
 - work place safaris and visits
 - site tours
 - talks from employees about world of work and career pathways
 - team building exercises and work related challenges

If you are interested in getting involved, please contact J Williams, Assistant Head teacher and Careers Lead on 0161 9732713 jwilliams@salehighschool.org.uk or email careers@salehighschool.org.uk
