

# Frequently Asked Questions

---

❖ What support will be available for my child?

❖ We have a dedicated team of form tutors, pastoral staff and subject teachers who will support your child with any day to day issues. Our ASPIRE team is fantastic at supporting children with additional needs.

❖ How will you help my child to settle into life at high school?

❖ In the Summer Term before the start of Year 7, there will be opportunities for some transition for students. This usually involves spending time at Sale High School, meeting some of our staff, meeting other students and participating in a variety of activities. In September we start the year with team building activities to help students to get to know each other and start forming friendships.

# Frequently Asked Questions

---

❖ How will you make sure that my child reaches their potential?

❖ How is behaviour dealt with?

❖ Children's progress is closely monitored by subject staff, with regular assessments and reports. Parents are also encouraged to monitor their child's progress by using the SIMS Parent App. Quality First Teaching is in place for all students and we pride ourselves on being a Teaching and Learning focused school, with high expectations for all to succeed. We also have a Sale High Scholars scheme for high ability students who benefit from extra challenge.

❖ There are a number of ways in which good behaviour is rewarded, including individual postcards home, hot chocolate nominations and class prizes. Instances of poor behaviour are dealt with quickly and effectively using a restorative approach.
