The transition from Primary to Secondary school can be daunting. We have developed our Summer School to provide an opportunity for children to become familiar with the school, some of the staff, the secondary curriculum and to make friends.

This is a great opportunity to develop skills and knowledge of the school. It will be managed and supervised by a team of Sale High School teachers. There will be many fun and exciting educational and sporting activities for children to participate in to keep them occupied and engaged during their summer holiday.

We reserve the right to exclude any child whose behaviour is not compatible with the ethos of Sale High School
