

Interhouse & rewards

“

At Sale High School we run a successful House Point rewards system.

All staff members have a house point stamp which they use to record house points in students' planners.

Students are rewarded for outstanding attendance, behaviour, homework, classwork and any other deeds or actions which are deserving of praise.

By the time you start school in September you will have been assigned to one of our 4 houses Howard, Pankhurst, King & Turing. Everyone in your form will also be in the same house as you.

There are lots of inter-house competitions which take place during the year where you can win points for your house, you also receive points if you have a good attendance record.

Throughout the year houses receive rewards like non uniform days or trips out!

Each house is led by a 'Head of House'. Their role is to take responsibility for their House and to support you if you have any problems or need someone to talk to. Your Head of

House will have an assembly with you and the rest of your house once a week.
