

Proposed Admissions Policy and Arrangements for 2019

Sale High School

Sale High School is a caring, supportive and aspirational school serving the local and wider community. We welcome all pupils, regardless of their background and ability, challenging them to achieve their full potential.

Our policy seeks to meet the needs of all children and is determined with reference to the Co-ordinated Admissions Arrangements under which all children are admitted to schools in Year 7.

All applications are made to the home Local Authority (LA) where the child lives. LA's will provide an application form to each parent which must be completed and returned by the due date to the home LA. Parents of pupils outside Trafford LA can apply for a place at Sale High School using the application form provided by their 'home LA.'

The priority catchment area for Sale High School is all postcode areas within M33, WA14, WA15 and M32. We also welcome children from postcode M23 and from other postcodes, when there are vacancies.

Sale High School will admit students to Year 7 in September, up to the admission number. The Published Admission Number for September 2019 is 198.

Admissions Criteria

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below.

1. 'Looked after Children' both currently and previously (as defined in the Education Act 2002 – Admissions).
2. Siblings: children who have brothers and sisters enrolled at this school at the time of admission (September 2018) and live within the priority catchment area.

Siblings are defined as half / step / adopted / foster brothers or sisters, and any other children who are living at the same address as part of the same family unit.

3. All other applicants living within the priority catchment area
4. Siblings: All other children who have brothers and sisters enrolled at this school at the time of admission (September 2018) who live outside the priority catchment area.
5. All other applicants outside the catchment area.

For each of the criteria listed above, if the demand for place exceeds the admission number, the rank order will be determined by the proximity of the child's home to the school.

Notes

The place of residence means the address where the child normally and permanently lives on a full-time basis, not a temporary address or the address of any carer or relative. In the case of parents who are separated or divorced and where child-care arrangements are shared between addresses, the average of the distances of the two addresses from Sale High School will be used for determining priority for admission. Distance will be taken as a straight line from the applicant's front door to the main school entrance. This will be measured using property coordinate provided through a combination of the Trafford Local Land and Property Gazetteer (BS7666) Royal Mail Post Address Information and information provided by the other LAs.

If a successful applicant moves home between the date of allocation and 1 September of that year, the offer of a place will be reviewed. As a result of this review, the offer of a place may be withdrawn, if an unsuccessful applicant is, as a result of the move, promoted to a higher priority on the School's admissions criteria.

Sale High School reserves the right to withdraw a place at a later date if it is discovered that false or incorrect information has been used in order to secure a place.

Unsuccessful applicants may ask to be placed on a waiting list and considered for any places that may arise in the future. These places will be awarded in accordance with the criteria listed above. Parents wishing to exercise this right should state their intention in writing within 14 days of receipt of the letter.

Appeals Process/Panel

All unsuccessful applicants will have the right of appeal to an Independent Appeals Panel in accordance with the Education Act 1993. Parents who wish to exercise this right will be asked to state this intention in writing.

Waiting List

Unsuccessful applicants may ask to be placed on a waiting list and considered for any places that may arise in the future. These places will be awarded in accordance with the criteria listed above. This waiting list will be maintained to the end of the first term of the school year.

Applications for places throughout the year (Years 7-11)

Applications should be made in writing direct to the school to cover all in-year applications. From next September all in-year changes will be school approved. Places will be allocated taking account of the admission number for each individual school year according to the admissions criteria detailed above. In the event of oversubscription a waiting list will also be compiled according to the admissions criteria.

Waiting Lists

The School operates a waiting list, following the completion of the Appeals Process. Applicants who are not given a place upon appeal may join a waiting list. Should a place become available, the "oversubscription criteria" applies.

Unsuccessful applicants may request to be placed on a waiting list and thus be considered for any places that may arise in the future. These places will be awarded in accordance with the criteria listed above. This waiting list will be maintained to the end of the first term of the school year.

Applications for a place after September of Year 7

As a Foundation School, Sale High School is responsible for its own admissions. In Year applications must be made in writing to the School, however applications made via Trafford admissions will also be processed.

Places will be allocated to children taking account of the admission number for that year and by compiling a list of applicants on a waiting list, according to the admissions criteria outlined above.

If you need advice or assistance with any aspect of the application process or with your application, please do not hesitate to contact the School on 0161 973 2713 or e-mail to info@salehighschool.org.uk

Admission arrangements for students with disabilities

Standard admission procedures are followed for students who are not in receipt of an Education, Health and Care Plan.

Sale High School prides itself on its standard of care for all students including those who have a special educational need or disability. We ensure we are compliant with the 'SEND Code of Practice', January 2015, and work hard to ensure we are inclusive in all we do. The school follows the guidance given in the Code to ensure it offers students equal opportunities for educational achievement. All staff have a direct responsibility for meeting the Special Educational Needs of students in their classes. Students are allocated provision/support according to their individual need. Students are assessed and we apply for EHC plans for those that need them. We work hard to ensure a good transition process for those students with EHC plans and with additional needs.
