SALE HIGH SCHOOL

28th February 2022

Dear Parents/Carers

Please note that the school office is shut on a Thursday afternoon from 2.30p.m. to allow for staff training. Phones are turned off at this time and will not be answered til the next morning.

Another plea please re parking. Please **do not** pick up your child/park outside school – this is dangerous. Yesterday a parent 'U turned' on Norris Rd very nearly causing a nasty accident. Please show you care **for all our children** and behave responsibly by picking up/dropping off elsewhere.

With thanks
