Sale High School Primary Newsletter

ACADEMIC YEAR 2022-23 SPRING TERM

Welcome to our Primary Newsletter!

We understand that the transition to high school can be very daunting, so we thought it would help if you know a bit more about Sale High School.

The aim of this newsletter, is to provide a snapshot into life at Sale High, the activities and opportunities we have going on, and to hear from some of our current students.

If you have any questions, or even

suggestions for things you would like to see in future newsletters, please email WelcometoSHS@salehighschool.org.uk

We really hope this is useful, and that you enjoy reading!

Miss Scott—Assistant Head of Year 7 and Primary Transition Manager

On 10th March, some members of our Junior Leadership Team went to an event in Wythenshawe Forum in celebration of International Women's Day. The event was

organised by MP for Wythenshawe and Sale East, Mike Cane.

The event included 200 women and girls from across the Wythenshawe and Sale area, many of whom have become very successful in their field of work. Students listened to guest speakers, participated in activities and enjoyed some afternoon tea! The students also had the opportunity to

network with the other women and girls at the event, and some of our students managed to secure themselves some work experience and wider opportunities.

There was also opportunity for attendees to speak to the rest of the guests about an issue they feel passionately about. Some of our Junior Leadership Team were very brave and did this amazingly! Harriet spoke about the effects of Mental Health, while Iqra and Aliza spoke about representing their culture within Manchester.

Sale Scholars

The Sale Scholars Programme is aimed at the most academically able 10% of our students.

It starts in Year 7 and helps to prepare, stretch and challenge students throughout their time at Sale High School.

The programme provides extended opportunities and

wider experiences that are tailored to the needs of each year group. It provides carefully targeted enrichment activities designed to build upon the curriculum through a wide range of opportunities outside the classroom.

In recent weeks, our Year 7 Scholars have started Italian

lessons, which including trying some delicious Italian cuisine. Our Year 9 Scholars had a visit from some Undergraduates from the University of Manchester. They did a fantastic German taster session and, again, students were lucky enough to try some traditional German foods!

World Book Day

On 2nd March, we celebrated World Book Day!

Students in years 7 and 8 were invited to dress up as their favorite book character to help others discover new, exciting reads. We have some amazing costumes from both students and staff!

There were lots of competitions and events running throughout the day including:

- Best Dressed (Top Prize: £10 Amazon voucher)
- Staff Countdown Challenge
- Guess the Theme of Teacher Fancy Dress Interhouse Challenge
- Book Swaps
- Book Trail

Take a look at some of the fantastic outfits we had, and can you guess the theme of each department?

Rewards

We are absolutely thrilled at how many rewards we have been able to give out this term already!

Some of the fantastic rewards that students have achieved include: a Q&A Session with renowned children's author Michael Morpurgo, Cookies, Muffins, Certificates, Film Afternoons, Pens, Sweets and Hot Chocolate with the Head Teacher.

We have had many fantastic successes so far this term, such as:

- **Harshika, Vera and Zayaan y7** completed their bronze iDEA certificate (digital equivalent of DoFE)
- **£119.40** raised for FOP Friends
- **Ollie y10** has done some fantastic art work studying natural forms
- **Isla y8** has done incredibly in the Supa Dance League National Finals
- **£462.99** raised for the British Red Cross Ukraine Crisis Appeal
- **Elliot y8, Haydn y8, Lilly-Rose y8, Ilja y10, Austin y9, Josh y8 and Will y8** have been doing amazingly with their swimming
- **Ruby y7** achieved 2nd place at the BCA Super Classics for Cheerleading
